Background

College student interested in handmade décor, pottery and unique gifts. She discovers products mainly through Instagram and Pinterest and prefers shopping online for visually appealing products.

Goals

- Find unique handmade clay products
- Browse easily using categories and filters
- Find affordable products for gifts and décor
- Make a quick and trustworthy purchase

Frustrations

- Product dimensions are often unclear or missing.
- Difficult to judge the actual size of products from photos.
- Too many products without useful filters or categories.
- Some websites have a cluttered or confusing checkout process.

Shopping Habits

- Instagram & Pinterest discovery
- Compares products before buying
- Checks reviews, photos and dimensions
- Saves products for later
- Prefers clean and minimal interfaces
